5 YEAR WARRANTY

TT CERTIFIED MECHANICAL SWITCH

The Tt eSPORTS Certified Mechanical BLUE and BROWN switches are built for speed and durability. With the BLUEs offering a pronounced tactile feel and audible click feedback, and the BROWNS offering a more subtle balance between tactile feedback and actuation force, while remaining much quieter than the BLUEs. These switches were specially chosen by our pro-gamers and engineers, and we believe in them so much that we're offering the world's first 5 year warranty on a mechanical gaming keyboard.
